AIS Canberra 2016 - 5 New Replacement Courts

Certified & Became Part of The NBA Global Academy in 2017

Project Management Services

Ongoing Maintenance & Warranty Alerts

Associated Product Evaluations & Procurement

1 Sports Equipment - Basketball, Netball, Volleyball, Badminton, Soccer

2 Digital Scoreboards & Video Screens

3 Roof Mounted Retractable Court Dividers

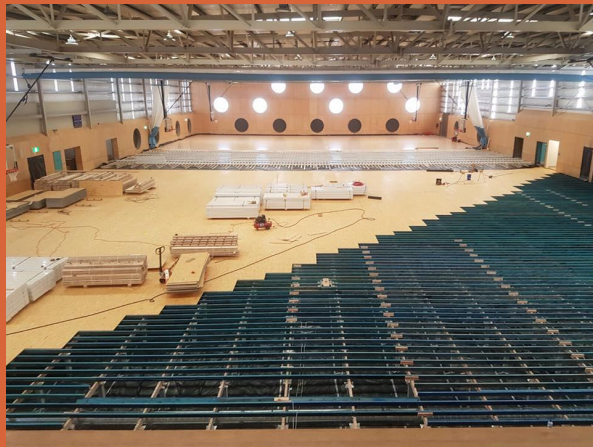

4 Portable Theatre Stages

5 Anti-Slip Floor Protection Carpet Tiles

6 Acoustic & Safety Wall Panels for Sports Stadiums

Project Example

Failed (never used) 3 court installation in Colac Victoria.

After more than a year of protracted legal delays trying to establish who was at fault the failed installation was removed and replaced with a new system in 2017

The new system is still performing and has not had any issues 8 years on

A quality sports floor will last up to 60 years so seeking independent advice to protect your investment and reputation makes perfect sense.
